HOW TO BECOME A

BECOMING A MEMBER OF OHANA CHURCH

The membership of the church shall consist of persons who profess their faith in Jesus Christ as their Savior and Lord, having given public testimony to their Christian faith through believer's baptism by immersion as set forth in the New Testament. All candidates will be required to complete the membership process, affirm the church covenant by signature, affirm the church's core beliefs, and be in sympathy with the 2000 Baptist Faith and Message statement.

TERMINATION OF MEMBERSHIP AT OHANA CHURCH

Membership shall be terminated in the following ways: (1) proof of membership in another church, (2) exclusion of the member by action of this church, (3) death of the member, or (4) as a result of a non-disciplinary meeting with an elder. A member who is inactive in the church for one year may be considered for termination of membership.

DISCIPLINE AND RESTORATION OF MEMBERS AT OHANA CHURCH

Members of the church are expected to conduct their lives in accordance with biblical standards of holiness as they grow to become more like Christ. When a member knowingly, blatantly, and publicly ignores the direct commands and prohibitions of Scripture, principles of discipline and restoration will be applied.

These principles are found in passages such as Matthew 7:1-5, 18:15-17; 1 Corinthians 5:1-13; Galatians 6:1-2; 2 Thessalonians 3:6-15. The elders, who will determine whether or not a matter should be brought before the covenant membership for action, will handle corrective discipline.
